

Your Support Makes a Difference Every Day...

Dear friend of ABHM,

This time of year, many of us take a moment to reflect on the past and give thanks for family, friends and relationships that are a vital part of our lives. An important aspect of our thankfulness is the spiritual connection to our faith and to one another. At ABHM, we have taken steps to reinforce and expand spiritual care at all of our communities to ensure residents feel connected to their faith and receive the spiritual support they richly deserve.

The power of a caring spirit can be seen every day throughout ABHM. The story of Sue, a longtime resident, is a moving example:

Sue was feeling overwhelmed by the changes in her life. One day in particular she was feeling lost, forgotten, unloved and had given up hope. Her feelings of loss and doubt did not go unnoticed by the community chaplain and fellow residents. On that fateful day, Sue found her friends gathered around her. In a heartwarming display of compassion they said, "You are precious in the eyes of the Lord and you are precious to us."

This simple act of reaching out in a time of need brought tears to Sue's eyes and is something she thinks of to this day. Our community chaplain describes the power of that caring spirit as follows... "We all have good days and bad, but from that moment on Sue's outlook on life has changed. She feels part of a community, cared for and loved."

The story of Sue's life-changing experience is just one of many that take place every day within ABHM Communities. You can help sustain our ministry by making a gift to the ABHM Mission Legacy Fund or your local ABHM Community, to ensure residents like Sue have the programs, services, and support to live life to the fullest. Together we are creating healthy Christian communities that empower people.
